

## JCP Contract Group 123

### Rules for group 123

- Hand in work within the given timeframe or given deadlines (if applicable).
- Any communication regarding the group project must be replied to within a timely matter.
- Any disagreements must be handled by all members.
- Be on time (unless valid excuse or letting group know in advance).
- Divide work up evenly with all members happy with their workload.
- Always use professional language when communicating with group members and/or supervisors.

Failure to comply with these rules will result in an offence (please refer to the study guide for further information).
